Gutenstetten Germany, June 2011

MEINL PERCUSSION INTRODUCES A NEW TRADITIONAL ABS PANDEIRO w/ NAPA HEAD

New in the Meinl Percussion Range is a traditional ABS Pandeiro featuring a replaceable Napa head which remarkably reduces the overtones for more controlled playing. More features of this 10" pandeiro are the lightweight ABS shell for effortless playing, solid jingles which produce a dry and cutting sound, and countersunk bolt lugs for a comfortable feel.

Sizes	10"
Material	ABS plastic Replaceable Napa head
Features	Countersunk bolt lugs Chrome plated hardware Reduced overtones
Includes	Tuning key
Color	Black
