Gutenstetten Germany, March 2011

MEINL PERCUSSION INTRODUCES CAJON CASTANETS

In order to meet the musically innovate requirements of today's cajon players, Meinl Percussion introduces Cajon Castanets. Available in three different sizes, these lightweight Castanets are the perfect add-on for any cajon player. They are easily attached to the cajon using an included self-adhesive tape which sticks on any surface. They are easy to play and their cutting sound adds a new color to your cajon playing, or any other instrument.

Sizes	Small Medium Large
Material	Rubber Wood (<i>Hevea brasiliensis</i> Muell.-Arg.)
Features	Spring-opened Self-adhesive tape goes on any surface
Color	BK = Black
Finish	matte
